September Edit, 2026-27

Aaroh

"Where growth finds its rhythm."

Delhi Public School 67A, Gurugram

Dear Parents,

Welcome to the vibrant world of Delhi Public School 67A, where each month unfolds as a new chapter and our learners step forward with confidence and purpose.
This newsletter is your window into their journeys, from the quiet spark of curiosity in the classroom to moments of accomplishment on stage and in the field.
Within these pages, you will discover glimpses of inquiry, creativity, and perseverance as we continue to nurture the whole child through our three pillars of learning; affective, kinesthetics, and cognitive.

Value of the month
Curiosity

From the Principal's Quill.....

Dear Parents, Students, and Staff,

September unfolded with a spirit of curiosity, exploration, and discovery. Our campus came alive with inquisitive minds, exciting learning experiences, and enthusiastic participation as our students asked questions, explored new ideas, and discovered the joy of learning.
Through classroom interactions, celebrations, and co-curricular activities, our learners were encouraged to think creatively, explore fearlessly, and embrace the world around them with wonder. My heartfelt appreciation goes to our dedicated teachers and supportive parents for nurturing this spirit of curiosity and making every learning experience meaningful.
As we move ahead, let us continue to encourage our children to ask questions, seek answers, and discover something new each day. Together, let us nurture curious minds and confident learners, making every day an opportunity to explore, learn, and grow!

Our Learning Pillars and Blocks

AFFECTIVE	KINESTHETIC	COGNITIVE
SOCIAL EMOTIONAL LEARNING	MINDFULNESS & YOGA	CRITICAL THINKING
MENTAL HEALTH & COUNSELLING	PERFORMING & FINE ARTS	COMMUNICATION
GLOBAL CULTURAL EXCHANGES	PHYSICAL EDUCATION	STEM & ROBOTICS

JOY OF LEARNING | VALUE-BASED EDUCATION | EXPERIENTIAL LEARNING | PERSONAL EXCELLENCE | ACADEMIC ACHIEVEMENT

“True development is holistic when diligence guides our actions, success follows in knowledge, character, and purpose.”

TRIUMPHS AND PLAUDITS

The DPS 67A Gurugram family takes immense pride in recognizing the exceptional creative accomplishments of Amritansh and Hemakshi (Grade IV). Demonstrating remarkable narrative depth, expressive vocabulary, and an innate love for writing, both learners embody the spirit of creative exploration. We congratulate our budding authors and look forward to witnessing their literary talents flourish in the years ahead.

DEVELOPING COGNITIVE SKILLS

Celebrating Growth, Learning & Milestones!

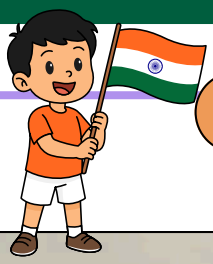

September marks the successful conclusion of Term 1 across the school! From continuous, ongoing assessments in the foundational years to focused Half-Yearly Examinations in Grades VI–X, our students have demonstrated commendable effort and growth. With the distribution of our Holistic Progress Cards, we proudly celebrate every child's complete academic and personal milestones as we step confidently into Term 2!

Little Scientists, Clear Discoveries!

Our learners of Grade I stepped into the Chemistry Lab to explore Sedimentation and Filtration! By watching muddy water settle and filtering out dirt, our young researchers discovered how science brings us cleaner water.

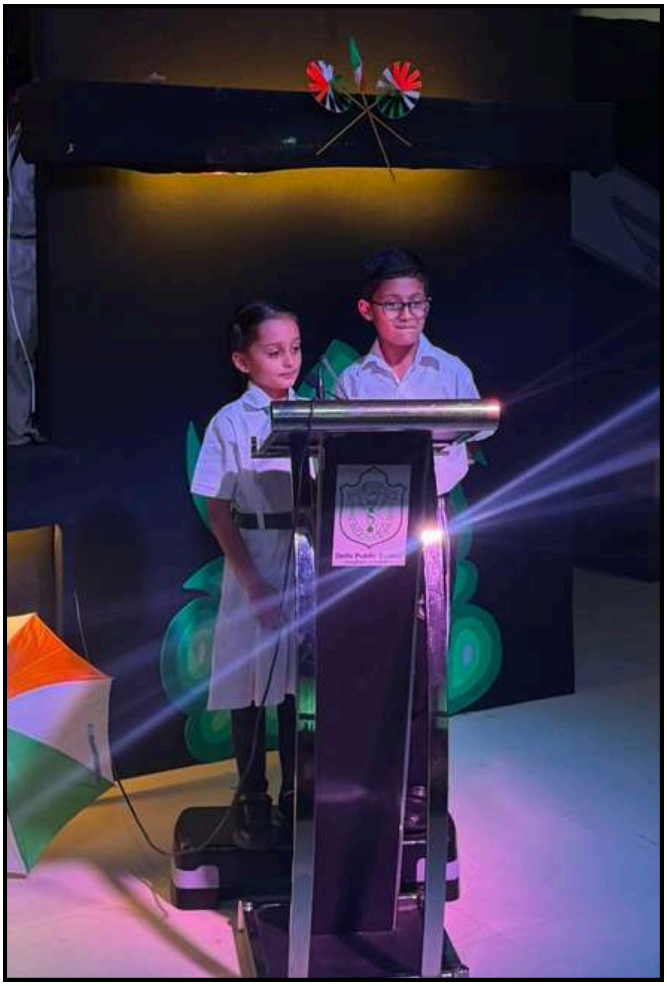

MORNING ASSEMBLY

Our learners of Grade I took center stage with immense pride and patriotism as they conducted a special morning assembly on Martyrs' Day. The young presenters captivated the audience with confident anchoring, fascinating facts about the Indian Army, and a heartwarming skit paying homage to our brave soldiers. The assembly concluded on a soulful note with inspiring patriotic music that left everyone feeling deeply moved and proud.

DEVELOPING AFFECTIVE SKILLS

CELEBRATING THE EDUCATORS

The school celebrated Teachers' Day with great enthusiasm and joy through a dedicated special assembly organized by the students. The program showcased a captivating blend of creative drama skits, rhythmic dance routines, and expressive tributes acknowledging the dedication of our teaching faculty. The event concluded with engaging recreational games, creating a festive atmosphere of camaraderie, appreciation, and shared happiness.

A celebration of devotion, creativity, gratitude and the playful spirit of Krishna!

Our little learners celebrated Janmashtami with a series of fun-filled, hands-on activities. Matkis were hung at different heights, encouraging children to use their cognitive skills, coordination and problem-solving abilities to reach and collect them points.

A specially designed maze added another layer of excitement as they navigated their way through to collect matki. Learners also enjoyed their visit ti the Iskon Tempke.

Janmashtami celebrates not just the birth of Lord Krishna, but the birth of hope, righteousness, and pure devotion in our hearts.

The celebrations were made even more memorable with a special assembly, filling the day with festive cheer, joyful participation and beautiful learning experiences.

Little steps, joyful hearts and endless Krishna magic!

Inspired by the unconditional love and care of Maa Yashoda, learners of Grade I explored the idea of recognising the special people who nurture them beyond their immediate families. They reflected on the individuals who guide, support and care for them, just as Yashoda lovingly cared for Krishna.

The Matki Mystery Challenge brought together curiosity, quick thinking and creativity. Hidden questions inside the matkis challenged children to put on their thinking caps and solve the clues to earn their turn at decorating their pots.

Through the engaging activity “What Would Krishna Do?”, Grade 2 learners explored everyday situations and considered how Krishna’s wisdom could guide their choices. They reflected on different challenges, thought critically about possible responses and presented their ideas with confidence.

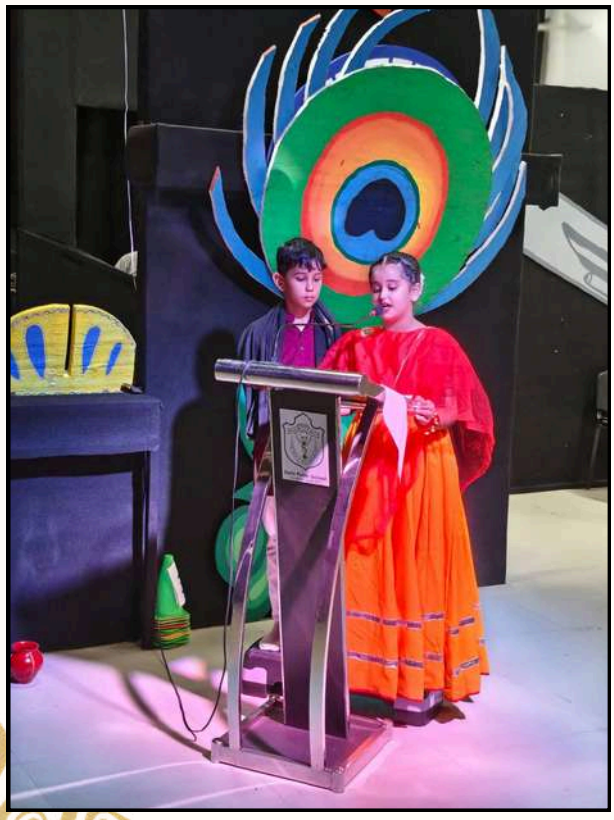

Learners of Grade III A presented a captivating special assembly showcasing beautiful episodes from Krishna Leela.

Through expressive performances and engaging enactments, the learners brought the enchanting stories of Krishna to life on stage, filling the atmosphere with devotion and festive spirit.

The presentation celebrated Krishna's playful charm, wisdom and compassion while giving children an opportunity to showcase their confidence, teamwork and stage presence.

सेतु संवाद (Parent Partnership Programme)

Under our signature **सेतु संवाद** initiative, we were delighted to welcome parents to an insightful, interactive workshop focused on decoding and supporting children's emotional development. The session provided parents with practical strategies to understand emotional triggers, nurture resilience, and foster open communication at home. It was a wonderful step toward strengthening the bridge between home and school, ensuring our learners feel heard, valued, and emotionally secure.

CELEBRATING THE LOVE OF GRAND PARENTS

Our Pre-Primary learners celebrated Grandparents' Day with immense love, joy, and enthusiasm. The celebration was filled with delightful presentations, fun-filled games, and a cosy coffee-and-snack time, creating beautiful moments of bonding across generations.

The grandparents thoroughly enjoyed the performances and activities, making it a heartwarming day filled with smiles, laughter, and cherished memories.

GANPATI BAPPA MORIYA

Festive Fun with Numbers & Shapes!
Our little learners stepped into a colorful world of counting, shapes, and vibrant festivities through playful Ganesha-inspired learning activities.

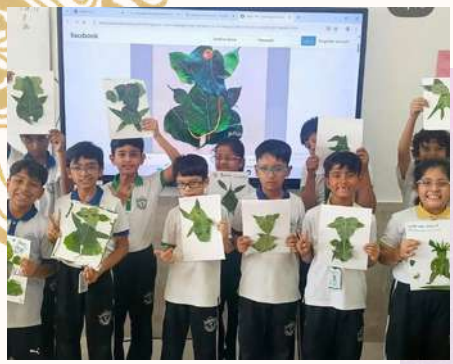

Crafting Royalty & Joy!
Grade I artists showcased their fine motor skills and creativity by crafting exquisite Ganesha mukuts (crowns) to wear with pride.

Sweet Math & Modak Magic!
Math became extra delicious in Grade II, as learners used Lord Ganesha's favourite sweet treat, the modak, to solve fun mathematical challenges!

Artistic Expressions of Divinity!
Grade III learners explored traditional art forms and creative techniques to craft beautiful representations of Lord Ganesha using leaves, blending cultural heritage with creativity and celebrating the timeless beauty of nature-inspired art.

Learners of Grades IV and V brought Ganesha's beloved companion to life They discovered the world through Mushak's keen senses, and put their Hindi vyakaran skills to the test in a thrilling Mushak grammar hunt!

DEVELOPING KINESTHETIC SKILLS

Talent Development Programme
Saturday Enrichment Activities

Our students develop strength, agility, balance, and self-discipline through Taekwondo.

Through stone and wood carving, learners explore the beauty of traditional craftsmanship and three-dimensional art.

Shooting sessions help learners develop concentration, hand-eye coordination, patience, and precision.

Dance allows learners to express themselves through movement, rhythm, and creative expression.

The music sessions provide learners with an opportunity to explore rhythm, melody, and musical expression.

Basketball sessions help learners build physical fitness, coordination, agility, and stamina.

SEVA SANKALP ABHIYAN

As part of the state-wide Seva Sankalp Abhiyan, our budding artists from Grades I to V showcased their creativity and patriotic spirit in a special Drawing Competition. Through colourful artwork inspired by Swachh Bharat, Make in India, and Viksit Bharat, learners expressed their vision of a developed India.

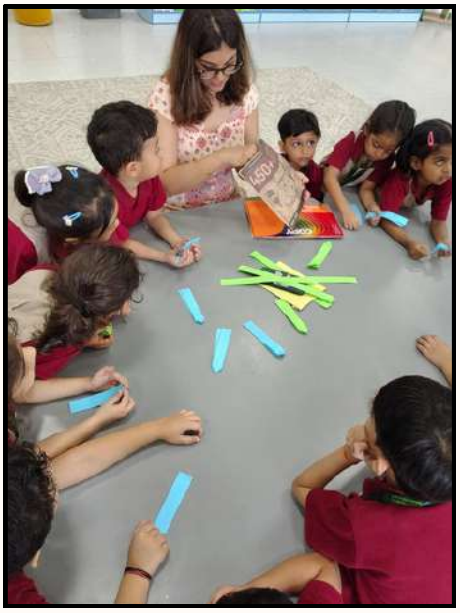

The Collaboration Corner: Parents on Campus

Our Pre-Primary classrooms came alive with joy as parents joined us for our Parent Reading Program! From captivating storytelling sessions to interactive, hands-on activities, parents and little ones shared unforgettable moments of learning and laughter. This wonderful partnership bridges home and school, inspiring a lifelong love for reading in our youngest learners while building a warm, connected community.
