"Where growth finds its rhythm."

Delhi Public School 67A, Gurugram

Dear Parents,

Dear Parents,
Welcome to the vibrant world of Delhi Public School 67A, where each month unfolds as a new chapter and our learners step forward with confidence and purpose.
This newsletter is your window into their journeys, from the quiet spark of curiosity in the classroom to moments of accomplishment on stage and in the field.
Within these pages, you will discover glimpses of inquiry, creativity, and perseverance as we continue to nurture the whole child through our three pillars of learning; affective, kinesthetics, and cognitive.

Value of the month
RESPECT

From the Principal's Quill.....

Dear Parents, Students, and Staff,

April marks the commencement of a new academic session, bringing with it renewed energy, aspirations, and possibilities. It is a pleasure to witness our students return with enthusiasm and a readiness to engage, setting a positive tone for the year ahead.

The early days have reflected a spirit of curiosity, adaptability, and growing confidence among our learners. Our educators continue to be the cornerstone of this journey, fostering a learning environment that is thoughtful, engaging, and student-centred.

As we move forward, I encourage our students to remain focused and consistent in their efforts. I also extend my sincere appreciation to our parents for their continued trust and partnership.

Together, let us shape a year defined by purpose, resilience, and excellence.

Ms. Sangeeta Dhamija

Principal, DPS 67A

DEVELOPING COGNITIVE SKILLS

Patterns in Perfect Squares

Learners of Grade VII enthusiastically engaged in an art-integrated activity on Perfect Squares, creating visually appealing posters to explore their relationship with odd and triangular numbers. Through patterns and examples, they demonstrated how perfect squares can be expressed as the sum of consecutive odd numbers and examined their connection with triangular numbers.

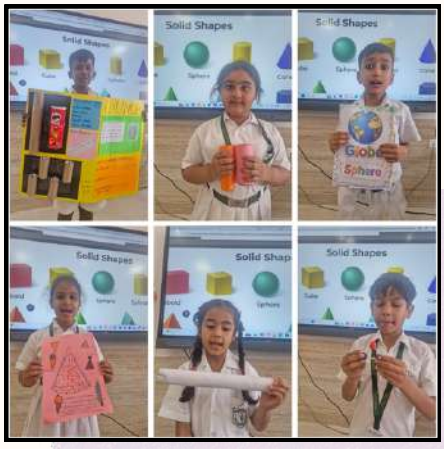

The activity enhanced conceptual understanding while fostering creativity, collaboration, and presentation skills, with students confidently articulating their learning.

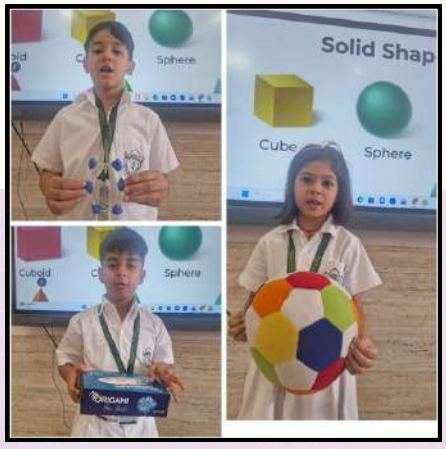

From Corners to Curves

The young learners of Grade II brought geometry to life through an engaging presentation on Solid Shapes. Using real-life objects, they confidently showcased different shapes, describing their sides and corners with clarity and excitement. Their enthusiasm and confidence made the learning experience both meaningful and delightful to witness.

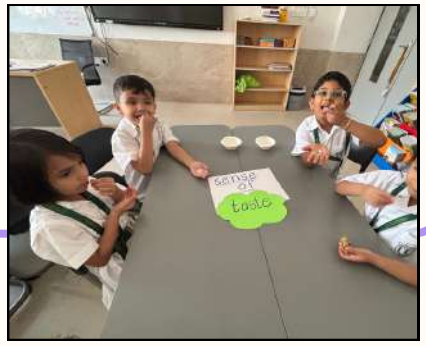

Little hands exploring big shapes; where learning takes form and imagination builds every corner.

A Sensory Adventure

Learners of Grade I explored sense organs through a fun, station-based activity. Engaging in hands-on experiences of sound, taste, smell, and touch, they moved across stations and shared their observations with peers.
The activity fostered active participation and enabled experiential, play-based learning, making the concept both enjoyable and memorable.

Fold, Press, Reveal !

Learners of Grade IV explored the concept of symmetry through a creative ink blot activity. By folding painted cards to form mirror images, they visually experienced line symmetry in a hands-on and engaging way.
The activity sparked high enthusiasm, with learners creating vibrant symmetrical designs while strengthening their conceptual understanding through art-integrated learning.

Nature's Little Keepsake

Learners of Pre-Primary explored the beauty of nature by collecting natural materials from their surroundings.
Leaves, twigs, and tiny natural elements became their tools of creativity as they transformed these treasures into unique bookmarks.
This hands-on activity not only nurtured their creativity but also helped them develop an appreciation for nature. With curiosity and joy, learners engaged in a meaningful experience that blended exploration, imagination, and learning.

Pick, Press, Create!

Green Finds, Creative Minds

Little Readers, Big Adventures

Learners of Pre-Primary stepped into the magical world of storybooks, where every page opened a door to imagination and wonder. As they explored colourful illustrations and simple narratives, their eyes sparkled with curiosity and excitement.

DEVELOPING AFFECTIVE SKILLS

Mirror Magic: Feel It, Show It!

Learners of Pre-Primary explored the world of emotions through a lively game of 'Mirror Mirror.' Taking turns, they expressed different feelings; happy, sad, surprised, and more, while their peers observed and mirrored the same expressions.
This playful activity helped learners recognise and understand emotions in an engaging way.

With laughter, curiosity, and expressive faces all around, they built emotional awareness while enjoying a fun and interactive learning experience.

ORIENTATION PROGRAMME

DPS 67A conducted a comprehensive Orientation Programme across all grades, warmly welcoming learners and parents into the new academic session. The sessions provided valuable insights into the school's vision, curriculum, teaching methodologies, and expectations, ensuring a smooth and confident start for all.
It served as a meaningful platform to build a strong partnership between the school and parents, fostering trust, clarity, and shared responsibility towards each learner's growth and success.

Coming together is a beginning; keeping together is progress; working together is success.

World Book Day

Learners of DPS 67A celebrated World Book Day with great enthusiasm through a series of engaging and creative activities. From dressing up as their favourite literary characters to participating in reading, journaling, and presentations, the day was filled with imagination and expression. Learners also showcased their creativity by designing and illustrating book covers, bringing stories to life in their own unique way.
The celebration not only nurtured a love for reading but also encouraged confidence, creativity, and appreciation for literature.

"A book is a dream you hold in your hands."

Foundation Day

On the occasion of our Foundation Day, learners of DPS 67A undertook a heartfelt initiative, "Ann Seva Sankalp," reflecting the school's commitment to nurturing compassionate and socially responsible individuals. As part of this endeavour, learners visited We Care Foundation and आर्य आदर्श उच्च विद्यालय, मॉडल टाउन, where they extended their support to the community.

Learners donated groceries and essential items, embodying the spirit of giving and gratitude. The visit was further enriched through meaningful interactions, as our learners engaged in collaborative activities with the students there. The day came alive with vibrant performances, creative clay art sessions, and energetic Zumba activities, fostering joy, connection, and shared learning experiences.

This initiative beautifully reinforced the values of empathy, kindness, and social responsibility, making the Foundation Day truly meaningful and memorable.

Earth Day -Reimagining Tomorrow

Learners of DPS 67A celebrated Earth Day with a meaningful school assembly focused on the importance of sustainable living. The session encouraged learners to reflect on their role in protecting the environment and adopting eco-friendly practices.

A highlight of the celebration was a collaborative installation activity, where learners from all grades came together to create an artistic representation of the Earth. Using bamboo sticks, waste cloth, and denim, they beautifully brought to life the concept of reduce and reuse.

This hands-on initiative not only sparked creativity but also instilled a deeper sense of responsibility towards the planet, making learning both impactful and inspiring.

XXIV ANNUAL CONFERENCE

Learners of DPS 67A proudly participated in the XXIV Annual Gurgaon Progressive Schools' Council (GPSC), a prestigious platform that brings together institutions committed to progressive and holistic education.

Adding to the honour, the Head Boy and Head Girl of the school were bestowed with the privilege of representing DPS 67A in the Ceremonial Honour March. Their confident presence and dignified participation reflected the school's values of leadership, discipline, and excellence.

This proud moment stands as a testament to the spirit of commitment and the strong representation of DPS 67A on esteemed platforms.

Voices of Tomorrow: MUN in Action

Learners of Grade V–X participated in an engaging session on Model United Nations (MUN), designed to introduce them to the world of diplomacy, global issues, and structured debate. The session provided insights into the workings of the United Nations, roles of delegates, and the importance of research, communication, and critical thinking.

Dance, Rhythm & Joy

Learners of DPS 67A celebrated World Dance Day with great enthusiasm and energy. The highlight of the day was an engaging session conducted by three renowned influencers, who inspired learners with their dynamic moves and vibrant presence.

The campus came alive with music and rhythm as learners participated in lively dance sessions, exploring expression, coordination, and confidence. Interacting with the influencers added excitement and motivation, making the experience even more special.

“Dance is the hidden language of the soul.”

DEVELOPING KINESTHETIC SKILLS

Clay Creations: Shaping Our Identity

Learners joyfully explored their creativity by crafting their name initials using clay. Moulding, shaping, and designing each letter, they expressed their individuality through unique and colourful creations.

This hands-on activity not only enhanced fine motor skills but also encouraged self-expression and imagination. As learners proudly showcased their initials, it became a delightful blend of art, identity, and creativity.

Inspiring Minds Through Art

DPS 67A had the honour of welcoming Shri K. S. Radhakrishnan, a distinguished sculptor and an eminent figure in contemporary Indian art, to our school and art academy. His visit added meaningful depth to our curriculum, offering learners a rare opportunity to engage with art beyond textbooks.

CONTINOUS PROFESSIONAL DEVELOPMENT

DPS 67A had the privilege of hosting a CBSE workshop on NEP 2020, bringing together educators for an enriching and insightful professional development experience. The session focused on the key principles of the National Education Policy 2020, highlighting learner-centric approaches, competency-based education, and holistic development.

The workshop provided a valuable platform for teachers to deepen their understanding of evolving pedagogical practices and align classroom strategies with the vision of NEP 2020. It was an engaging and thought-provoking session that reinforced the commitment towards progressive and meaningful education.
