Dear Parent,
Greetings!

As the safety and security of the students is our top priority, we are writing to remind you the importance of carrying the escort card while picking up your ward from school or sending someone to pick them up.

We have implemented a number of measures to ensure the safety of our students, such as CCTV cameras, security personnel, and strict protocols for entering and exiting the school premises. However, we cannot do this alone and we need your support to ensure that the child is picked up safely.

The escort card is a simple but effective tool that helps us to ensure that only authorized persons are allowed to pick up the child. It is therefore essential that you carry the escort card with you whenever you come to pick up your child, or if you are sending someone else to do so.

We request you to take this matter seriously and support us in our efforts to provide a safe and secure environment for our students. Let us work together to keep them safe.

Thank you for your cooperation.
