Dear Parents,
Greetings!

Delhi Public School Gurugram 67A motivates children to boost their creativity and concentration, and nurture their personalities. We provide a safe, healthy and enabling learning environment with an emphasis on the joy of learning.

We all know reading is an excellent way of improving one's vocabulary and learning new things. However, reading is not only done with books but also by understanding and learning experiences from people.

As famously said by **Louisa May Alcott**, "*Human minds are full of mysteries than any written book and more changeable than the cloud shapes in the air.*"

On that note, we are excited to introduce the concept of "Human Books", an excellent way to learn about people, who they are and what they do. We are thrilled to make the classrooms a "Human Library."

We cordially invite you to be a part of the inauguration of the "Human Library" on Thursday, 11th May 2023 at 8.45 am. The venue will be the classroom of your child at school.

We welcome you to experience and learn about our young blooming "Human Books."
