Date: 4th May, 2023

Dear Parent,

Greetings from the DPS fraternity!

We hope this circular finds you in good health and high spirits. We at DPS, Gurugram 67A are thrilled to announce the launch of a new reading programme that we believe will enrich the learning experience and help our children develop a lifelong love of reading.

The programme is designed to encourage them to read a diverse range of books and develop critical thinking, vocabulary, and comprehension skills. We believe that reading is a key foundation for academic success, and we hope to embrace this programme as an opportunity to expand their knowledge and imagination.

We are starting this programme from 8th May, 2023, Monday, and we would like to invite all of our students to participate. To join the programme, they simply need to pick a book of their choice from the class library and start reading! We shall encourage them to read as many books as they can during the academic year and even during your summer vacation.

We have curated a selection of books that cater to different interests and reading levels, and we will be happy to recommend books based on their preferences.

We will be organising reading sessions, discussions, and quizzes throughout the year to keep them engaged and motivated. We also encourage them to share their thoughts and feedback on the books they read on our online platform.

We hope that our students will embrace this programme as an opportunity to cultivate a lifelong love of reading and learning. If you have any questions or concerns, please feel free to reach out to the class facilitators.

Thank you, and happy reading!

Regards
Team DPS
