Date: 13th September 2023

Dear Parents/Guardians,

Greetings!

We are delighted to invite you to a special **Communication skill workshop** designed specifically for the parents of those students who are in their foundational years. This session will focus on how to communicate effectively and build a caring classroom/home for the students.

To effectively communicate, it's important to first build a relationship. Topics such as the importance of attachment in communication, effective communication strategies, tips for being a better listener, how to show empathy to your child and why being present in the moment helps will be touched upon during the session.

The workshop will take place on **September 16th 2023, Saturday** from **9.30 AM to 11.00 AM** in the **school premises**.

Kindly fill out the enrolment form attached below to confirm your presence for this workshop.
