Nurturing the Whole Child

CIRCULAR

Grade: III-VIII

DPSG67/CIR/0063/2023-24

Date: 30th September 2023

Dear Parents,
Greetings!

We are excited to share with you an upcoming initiative called **“Pep Mind India”** at Delhi Public School Gurugram, 67A, that aims to enhance your child's cognitive abilities and memory skills.

Mr. Vinod Phutella, the visionary founder of Pep Mind India, is a dynamic and influential figure in the field of education. Under his leadership, Pep Mind India has become synonymous with cutting-edge educational technology, personalised learning, and academic excellence.

As part of DPS Gurugram’s commitment to nurturing the whole child, we are introducing a specialised student program organised by Pep Mind which focuses on memory enhancement. This program is designed to help students develop superior memory techniques, concentration skills, and effective study habits.

Program Details:

Frequency: 2 sessions per week (1 online and 1 offline during school hours). Details for the Online session will be shared shortly.

We are confident that this program will have a positive and lasting impact on your child's academic journey by improving concentration and attention span, building confidence, positive behaviour, good general knowledge and understanding visual concepts .

If you have any query, contact the class facilitator and alternatively you can visit www.pepmind.com for further information.

Thank you for your continued support in shaping the future of our students. Together, we can help them become Memory Masters.

Warm Regards,
Sangeeta Dhamija
Principal
