Dear Parents,

Greetings!

We are thrilled to announce our diverse range of after school club activities, specially designed to enrich your ward's educational experience and provide them with opportunities for personal growth.

Our after-school clubs offer a wide array of interests, ensuring that every student finds a club that ignites their passion.

We encourage all students to participate in these clubs, as they contribute to both academic and personal development.

These clubs are the ones that are part of their Talent Development Program (TDP). Every club is supervised by dedicated teachers who are experts in their respective fields. These teachers ensure a safe and stimulating environment for our students to explore their interests and talents. The list of clubs have been split into two categories.

### **Category 1**

- (i) Music Mania (Music)
- (ii) Kalazone (Art and Craft)
- (iii) Rangmanch (Dance and Theatre)
- (iv) Exhibit Club (Sports)

### **Category 2**

- (i) Digimind (Computer/IT)
- (ii) Expressions (Literary)
- (iii) Nurture Nature (Eco and Science club)
- (iv) Maths Mania (Maths)

Students are requested to choose one from each category.
