Dear Parents,

Greetings!

"The best way to multiply one's happiness is to share with others."

Service is an expression of true self, which defines the motto of Delhi Public School 67A
"Service before self"

We are thrilled to announce the commencement of **"JOY OF GIVING WEEK"** at Delhi Public School 67A. This festival of philanthropy aims to instil values of gratitude, sharing, and caring among students.

We welcome your participation by contributing to this cause. The items being collected for this cause are as follows:

1. Everything colourful: New stationeries or toys
2. Recycle knowledge: Contributing new or gently used books in good condition

All the items collected will be given to the underprivileged.

Your generous contribution can be sent through your ward to the school by **Friday, 15th December 2023, Friday.**

Let's come together to make **"JOY OF GIVING"** week a meaningful and impactful experience for our young learners.

Happy Thanksgiving!

Warm Regards,
Sangeeta Dhamija
Principal
