Dear Parents,

Greetings!

Assessment is a part of the curriculum where students are exposed to logical and analytical thinking. The Assessment system helps the child to understand their caliber and skill enabling them to carve their path of interest.

Assessment is a continuous process that establishes measurable and clear student learning outcomes.

As part of the assessment process, the school has scheduled the second Periodic Assessment (PA) II for **grade VI** for the academic year 2023-24.

The link below will provide the **Date Sheet** and **Syllabus** of the Periodic Assessment (PA) II for grade VI.
