Date: 25th January 2024

Dear Parents,

Greetings!

I hope this message finds you well.

As the students of grade V are preparing to enter middle school, we would like to introduce the concept of assessments.

Assessment is a part of the curriculum where students are exposed to logical and analytical thinking. The Assessment system helps the child to understand their caliber and skill enabling them to carve their path of interest.

Assessment, in our educational context, goes beyond mere grades; it is a dynamic process aimed at understanding and supporting your ward's growth and development. These are tools designed to evaluate your child's understanding of various concepts, skills, and application of knowledge. They provide valuable insights into both strengths and areas that may need additional attention.

Our goal is not to assign grades but to encourage continuous learning and improvement.

As part of the preparation process, the school has scheduled Assessments for **grade V** for the academic session 2023-24.

Kindly note the following:

1. The assessments begin on **28th February 2024, Wednesday** and end on **13th March 2024, Wednesday**.

8. PFM is on **23rd March 2024, Saturday**.
9. **The date sheet and syllabus will be uploaded on the ERP.**
10. Please note, that the students of grades V will have no school from **14th March 2024 to 17th March 2024**. They will resume school on **18th March 2024, Monday**, timings to be announced on a later date.

If you have any questions or concerns about assessments, please don't hesitate to reach out to your class facilitator. Your partnership is invaluable, and together, we can make this year a fulfilling and enriching experience for your child.

Please encourage your ward and our DIPsite to commence preparations, identify doubts, seek assistance and prepare well for a commendable performance. We shall support our students effectively.

Warm Regards,
