Dear Parents,

Greetings!

We are committed to nurturing a culture of reading among our students, recognizing its profound impact on both academic success and personal development. To further cultivate this culture and enrich our students' literary experiences, we are thrilled to introduce our comprehensive Reading Programme, "**Booknuts.**"

Through "**Booknuts,**" we aim to instil a genuine love for reading, foster critical thinking skills, and reduce screen time among our students. Please note the following details regarding the programme:

- We kindly request your support in providing your child with four books annually. To begin this journey, please purchase the prescribed book according to your ward's grade by **April 26th, 2024.**
- Your involvement is essential in encouraging your child to allocate 15 minutes of their daily schedule to reading at home.
- We also plan to enhance the reading experience of students by organizing author visits.
- We would greatly appreciate your willingness to volunteer for storytelling sessions or reading time with students at school. If you are interested in volunteering for the same, please fill out the attached Google Form given below

The following is the list of books for each grade:

Thank you for your support in fostering a lifelong love of reading among our students. Wishing all our students happy reading adventures!

Warm Regards,
