

**CIRCULAR**

**Grades: Pre-Nursery-VIII**

**DPSG67/CIR/007/2024-25**

**Date: 20<sup>th</sup> April 2024**

Dear Parents,

Greetings of the day!

Recognising the dignity of labour can help students develop respect and empathy for those who work in different occupations and industries. It can help them understand that all work is important and that every job contributes to the functioning of society as a whole. This can help promote a sense of social responsibility and encourage students to engage in volunteer and community service work.

To instil in our students a sense of respect and dignity for our support staff and their profession, we are encouraging them to take part in a variety of programs on Labour Day i.e. **May 1st 2024**. Let us acknowledge our helpers for their "Sewa"

As a school community, the students and staff of DPS 67A have decided to conduct a drive for ration collection and distribution for our support staff as a gesture of appreciation for their services.

We therefore request parents to be a part of this noble cause by contributing as follows:

- **½ kg packet of raw Chana Dal or any Dal by each child of Grades PN-III**
- **½ kg packet of Raw Rice by each child of Grades IV-VIII.**

Kindly send the above by **25th April 2024, Thursday**.

We hope that this small endeavour will help to promote a culture of kindness, tolerance, and inclusivity, which can have far-reaching benefits for society as a whole.

Respecting all professions is an important part of being a responsible and respectful member of society, and teaching children to do so is a valuable lesson in empathy, compassion, and social responsibility.

Warm Regards,  
Sangeeta Dhamija  
Principal
