Date: 15th May 2024

Dear Parents,
Greetings!

At DPS 67 A Gurugram, we prioritise a holistic approach to education, ensuring a harmonious blend of academic rigour and extracurricular engagement. We aim to empower students to embrace diverse challenges beyond conventional learning boundaries. In line with this philosophy, we are pleased to announce that the Science Olympiad Foundation (SOF), a renowned Non-Governmental organisation dedicated to fostering a scientific mindset among students has opened registrations for the 2024-25 session.

The exam will be conducted offline in the school premises, during school hours. Kindly fill out the consent form attached below to register for the same.
