Dear Parents,

Greetings!

We are pleased to announce the reboot of the **Parent Reading Program** at DPS 67A. The program is crafted to inspire a deep love for reading in our students by actively involving parents in their reading journey. We believe that reading forms the bedrock of a strong educational foundation, and your participation will be instrumental in fostering your child's literacy skills and intellectual growth.

At DPS 67A, a school where creativity is nurtured, confidence is cultivated, and compassion is encouraged, we are committed to providing a holistic education that extends beyond the classroom. The Parent Reading Program is an integral part of this commitment, designed to enrich the bonds of our students and the parent community.

Program Details:

- **Objective:** To encourage regular reading habits and enhance comprehension skills in students by engaging them with their parents in a structured reading program.
- **Duration:** The program will be conducted on a fortnightly basis. Parent volunteers will be provided with the schedule of the Reading Program in advance.
- **Participation:** Interested volunteers to kindly fill out the attached consent form and submit it to your child's class teacher by **Saturday, 31st August 2024.**
