

CIRCULAR

Grades: VI-VIII

DPSG67/CIR/0046/2024-25

Date: 21st November 2024

Dear Parent,

Greetings!

We are excited to announce an engaging opportunity for our young learners—a hands-on **Astronomy Workshop** designed to unlock their potential and ignite their curiosity about the universe. This workshop offers a unique chance to explore the mysteries of space, nurturing a passion for science, discovery, and innovation.

Join us as we inspire the next generation of astronauts, scientists, and space enthusiasts, guiding them on an unforgettable journey through the cosmos! Please find details of the workshop below:

1. 4 ASTRONOMY SESSIONS & 3 TAKE AWAY KITS

- Moon Watch (Session) | Moon Puzzle (Takeaway Kit)
- Space Satellites (Session) | DIY Satellite Model (Takeaway Kit)
- Lift Off (Session) | POP Rocket (Takeaway Kit)
- Virtual Observatory Tour | Online

2. BENEFITS OF SPACE WORKSHOP
