Date: 16<sup>th</sup> December 2024

Dear Parents,  
Greetings!

We are excited to share a wonderful opportunity for our Grade V students to participate in the '*StartupYou Creative Challenge*', a unique inter-school creative program designed to nurture essential 21st-century skills.

This 4-week online program is thoughtfully designed to help students develop critical life skills such as **Effective Communication, Creative Ideation, Decision-Making and Building Connections**.

Through an experiential, project-based learning journey facilitated by leading design-thinking faculty, students will enhance their **Critical Thinking, Goal Setting, Time Management and Collaboration Skills**.

This program also nurtures creativity, self-confidence, and digital awareness, laying a strong foundation for lifelong learning and innovation.

### **PROGRAM DETAILS**

1. **Duration:** 4 weeks
2. **Mode:** Online (interactive and engaging sessions)
3. **Amount:** INR 2000 (inclusive of GST)

### **HIGHLIGHTS & BENEFITS**

1. **Inter-School Creative Challenge (Finale):** Students will have the opportunity to:
  - Showcase their creativity, storytelling, and problem-solving skills.
  - Benchmark ideas and connect with peers from schools across North India.
  - Develop a sense of pride and accomplishment in their innovative thinking.

Students may work individually or in teams to develop and present creative ideas, make decisive choices, and share their inspiring journeys.

2. **Certificate of Completion:** Upon successful completion, students will receive a *Certificate of Completion*, a valuable addition to their learner profiles and a stepping stone to future *StartupYou* programs.

## **WHY PARTICIPATE?**

This program offers your child the chance to engage in a dynamic, meaningful learning experience, develop vital 21st-century skills in a fun and collaborative environment and compete, collaborate, and connect with peers, fostering leadership and creativity.

We encourage our Grade V students to participate in this exciting initiative that blends learning with innovation. Let's empower our children to think creatively, communicate effectively, and build connections that will prepare them for the future.
