Dear Parents,

Greetings!

**Talent Development Programme (TDP)** is an after school programme on every Friday at DPS 67A. TDP aims to nurture students' skills and interests beyond academics. We at DPS 67A aim at fostering the holistic development of our students. This program will provide students with opportunities to excel in sports and other co-scholastic activities, enhancing their overall growth and development.

**You are requested to fill up the google form to understand, identify and confirm your ward's final TDP selection. The option chosen by the students will be applicable throughout this academic year (2024-25).**

*This will help the students to learn and excel in the selected activity.*
