Date: 4th November 2024

Dear Parents,

Greetings!

On the occasion of Children's Day, DPS 67A is delighted to invite your child to our "**Young Explorer's Fest**", designed as a Buddy Date Fest. This engaging event will take place on **Saturday, 9th November 2024, from 10:00 AM to 12:00 noon.**

This fest is an excellent opportunity for students to strengthen bonds and build friendships with their chosen buddies. Through a variety of collaborative activities, students will experience teamwork, communication, and mutual support, creating lasting memories and fostering a sense of connection.

Students can look forward to a day filled with enjoyable activities, meaningful takeaways, and valuable learning experiences. Kindly note that transportation arrangements are to be made by parents, and while you are welcome to drop your child off, access to the activity room will be limited to students only.

For parents who choose to stay on campus, we have planned some engaging activities to make your wait enjoyable.

To participate, please complete the attached Google form, indicating your child's interest and it is mandatory to include the name of the buddy they will be bringing along. Their buddy can be between 2.5 years old to 7 years old.
