Date: 20th January 2025

Dear Parents,

Greetings!

As the students of grade V are preparing to enter middle school, we would like to introduce the concept of formal assessments.

Assessment is a part of the curriculum where students are exposed to logical and analytical thinking. The Assessment system helps the child to understand their calibre and skill enabling them to carve their path of interest.

Assessment, in our educational context, goes beyond mere grades; it is a dynamic process aimed at understanding and supporting your ward's growth and development. These are tools designed to evaluate your child's understanding of various concepts, skills, and application of knowledge. They provide valuable insights into both strengths and areas that may need additional attention.

We aim not to assign grades but to encourage continuous learning and improvement.

As part of the preparation process, the school has scheduled Formal Assessments for **grade V** for the academic session 2024-25.

Kindly note the following:

1. The Annual assessment cycle begins on **27th February 2025, Thursday** and ends on **12th March 2025, Wednesday**.

Please encourage your ward and our DIPsite to commence preparations, identify doubts, seek assistance and prepare well for a commendable performance. We shall support our students effectively.
