Dear Parents,

Greetings!

We are excited to introduce the **Talent Development Programme (TDP)** as a **pilot initiative** for our **Pre-Primary students at DPS 67A**. This programme will take place **every Wednesday** from **11:30 AM to 12:30 PM** for **February and March**. This pilot run will help us evaluate its effectiveness and determine its feasibility for continuation in the next academic year.

TDP is designed to nurture students' skills and interests beyond academics, fostering their holistic development. Through age-appropriate sports and activity-based learning, this programme will provide students with opportunities to enhance their talents and build confidence.

To facilitate smooth participation, we request you to fill out the **Google Form** to confirm your ward's TDP selection for February and March. The **last date** to submit the form is **Monday, 3rd February 2025**.

Please note that once an option is chosen, it cannot be changed during the TDP duration (February & March). If a student is unable to attend TDP due to medical reasons or unavoidable circumstances, a signed letter from the parent must be submitted in advance to the class facilitator.

Please note that **dispersal on Wednesdays will be at 12:40 PM**. You are requested to send a light snack for your child to have after TDP.

For any queries, please feel free to reach out to your respective class facilitator.

Warm regards,
Sangeeta Dhamija
